

DaCEY AWARDS

DATA CENTER EXECUTIVE OF THE YEAR

The Data Center Executive Summit featuring The Data Center Executive of the Year National Awards 2008

November 5, 2008 | Cobb Galleria Centre, Atlanta, GA

The Data Center Executive Summit Featuring the Data Center Executive of the Year (DaCEY) Awards 2008 brings together leading data center executives to discuss best practices, challenges, and solutions regarding the data center industry today.

Call for nominations now open! Don't miss this opportunity to nominate a deserving candidate for the event of the year, as top data center executives and their teams from across the nation are recognized for outstanding leadership and contributions to the data center industry.

- The DaCEY Executive of the Year Award - Recognizes data center leaders who have demonstrated cutting edge vision, innovation, and outstanding leadership in all areas of the data center.
- The DaCEY Project of the Year Award — Recognizes project teams for their outstanding vision, innovation, and leadership in seven categories including Network Operations, Security, Green Initiatives, Virtualization, Data Center Design, Infrastructure Management, and Legacy Devices Solutions.
